Arena Use for Shows/Events

- When a user rents arena/s for a specified period and provides the required insurance, the arena/s are considered "closed" to other than show/event participants. Prior to the specific rental period, arena/s are considered "open." In an "open arena," WCCEC members may ride if they choose, and there is no charge to the user.
- If the user holds activities in an arena/s that generate revenue (example, ticketed rounds), then show/event management must have insurance in place and rent the arena, which is then "closed" to other than show/event participants.
- On the day prior to an event, if an arena is closed by Center Management for dragging, course preparation, etc., there is no charge to the user.
- The Center grounds will be available to show/event management at 3 p.m. on the day prior to an event. The arena/s reserved for the event will be considered "open" until that time unless show/event management provides the required insurance and pays the half-day rate per arena for "closure."
- All rented arenas will be prepped, groomed, and watered daily prior to arena user's scheduled event. Water and a hose will be available for use by show management and ring crews for additional watering during events as necessary. Extra drags (full arena) must be requested prior to an event and are available at \$15/each. Barrel racing drags (clover leaf pattern) are \$15 for unlimited drags during an event.

Insurance

Show/event managers are required to procure by two weeks prior to use, liability insurance for the minimum amount of five hundred thousand dollars (\$500,000). One million (\$1,000,000) is required for rodeos. For other activities, such as clinics, insurance is not required, but all participants must be members of the WCCEC or pay a day use fee.

Use of Arenas for Instruction

All instructors/trainers/coaches giving lessons must have a Trainer Membership and pay \$5.00 per student. Trainers have the option to train in an open arena (members may ride) or they may pay the full-

day, half-day, or hourly fee to close the arena for their exclusive use. Trainers are encouraged to contact each other and coordinate arena use.

Guest Clinicians (Trainers/instructors/coaches from outside local area): Clinicians must sign a liability waiver, provide proof of insurance, and will be provided with a temporary guest membership. The guest clinician fee is 20% of total compensation from lessons, coaching, clinics, etc. If a guest clinician is working for “expenses only,” a \$5/student fee will apply.

Stalls

- Daytime use of stalls is free for members on weekdays if stalls are left clean (manure and soiled bedding removed). Members using day stalls must check in with Center Office prior to occupying stalls. Stall privileges will be revoked if stalls are not left clean.
- Weekend and overnight use of stalls is available for \$20/night during competitions.
- End row stalls facing the arenas are available for \$25/night with the opportunity to display promotional materials on the end of the building. Stalls are on a first come basis, unless show/event management pays in advance for a minimum number of stalls. Groups renting arenas are responsible for paying the stall fees for all of the riders in their group. Use of reserved stalls on the day prior to a show will be guaranteed no earlier than 3 p.m. and if horses are stabled overnight, a designated adult member must stay on site at all times.
- A clean stall will be provided. Bedding is required for all horses. Only sawdust or wood shavings are allowed. No paper or straw bedding is permitted. Show/event management is responsible for ensuring that bedding is available. Bedding may be available for purchase through the WCCEC, subject to availability.
- Long-term rental of stalls is available for storage space for horse-related supplies and equipment on a space available basis. Please contact the Center Manager for the long-term tack stall rental policy, rates, and application form.

Alcoholic beverages

No alcoholic beverages are allowed without proper permitting.

Pets

Dogs must be on leash and under hand control at all times. No dogs allowed between barns when horses are present.

Vehicles

- Vehicles are allowed to load and unload horses and equipment before and after clinics or competition, with due caution for horses and riders present.
- No unattended or unauthorized vehicles may be parked between barns. Vehicles are required to park in only designated parking areas.
- No electrical hookups are permitted to unauthorized campers from barns.
- Vehicles are not allowed beyond the parking lots during a clinic or competition, except to provide handicapped access. Please use the wheelbarrows to move equipment while a show or clinic is in progress.

Vendors

Commercial vendors are welcome to sell products and services at the WCCEC, subject to the WCCEC Vendor Donation Policy. Please contact the Center Manager for the vendor policy and application form.

Abuse Policy

Cruelty to or the abuse of a horse by any person on the grounds of the WCCEC is strictly forbidden and will result in the loss of privileges to use the WCCEC. The Anchorage Horse Council has adopted the definition of abuse from Article 302 of the USA Equestrian By-Laws.
